Featuring New MEGACOAT Grade Inserts!

For long tool life and high-speed milling due to superior hardness and oxidation resistance

Insert Type: PNMU1205ANER-GM (General Purpose Chipbreaker)

Insert Grades: PR1210 for Cast Iron & Titanium Alloy

PR1225 for Steel & Stainless Steel

3040 N. Pointer Road • Appleton, WI 54911
 800-734-2573 • 920-734-2573
 Fax: 920-734-1749
 Email: sales@valleytool.net
 Web: www.valleytool.net

Promo Notes

- Each MFPN Kit comes with 1 cutter and the specified number of PNMU1205ANER-GM inserts
- Please specify the Milling Kit Code on your PO
- Offer valid through 02/28/2012
